To: The Danish Pioneer and Naver news, DFS.  
Long time LA Naver member Kent Hanson, passing away.

Sadly Kent, 74 years old, passed away on July 8 from a fatal heart attack.

He was also the president of the Danish National Committee in So. Cal.

He recently had a knee/leg surgery, and while recuperating in the hospital, he suffered a major heart attack.

His wife Connie was with him at the time. Every effort was done to save Kent's life.

Kent was borne in Solvang Ca. with Danish parents. He leaves behind also his son Pete, daughter in law Stacey and their two boys.

Kent was a beloved "Far-far".

We will all share his memory, with his many Danish Church, US & Naver friends.

May Kent rest in peace.

Naver sec. AB.
